SUMMER 2025

Rios caudalosos que fluem sem parar, a relva, a selva, a centelha da vida, o doce da fruta, o sol da manhã, o frio das neves, as colinas, planícies, animais, plantas e pessoas em harmonia. A combinação de ecologia e afeto. A utilização de materiais versáteis e atemporais, que possam ser usados por muito tempo e que incentivem um consumo consciente e sustentável. Um convite ao cuidado com nosso lar.

Non-stop flowing rivers, the grass, the jungle, the spark of life, the sweet fruit, the morning sun, the cold snow, the hills, flats, animals, plants and people in harmony. The combination of ecology and affection. The use of versatile and timeless materials that can be used for a long time and that encourage conscious and sustainable consumption. An invitation to care for our home.

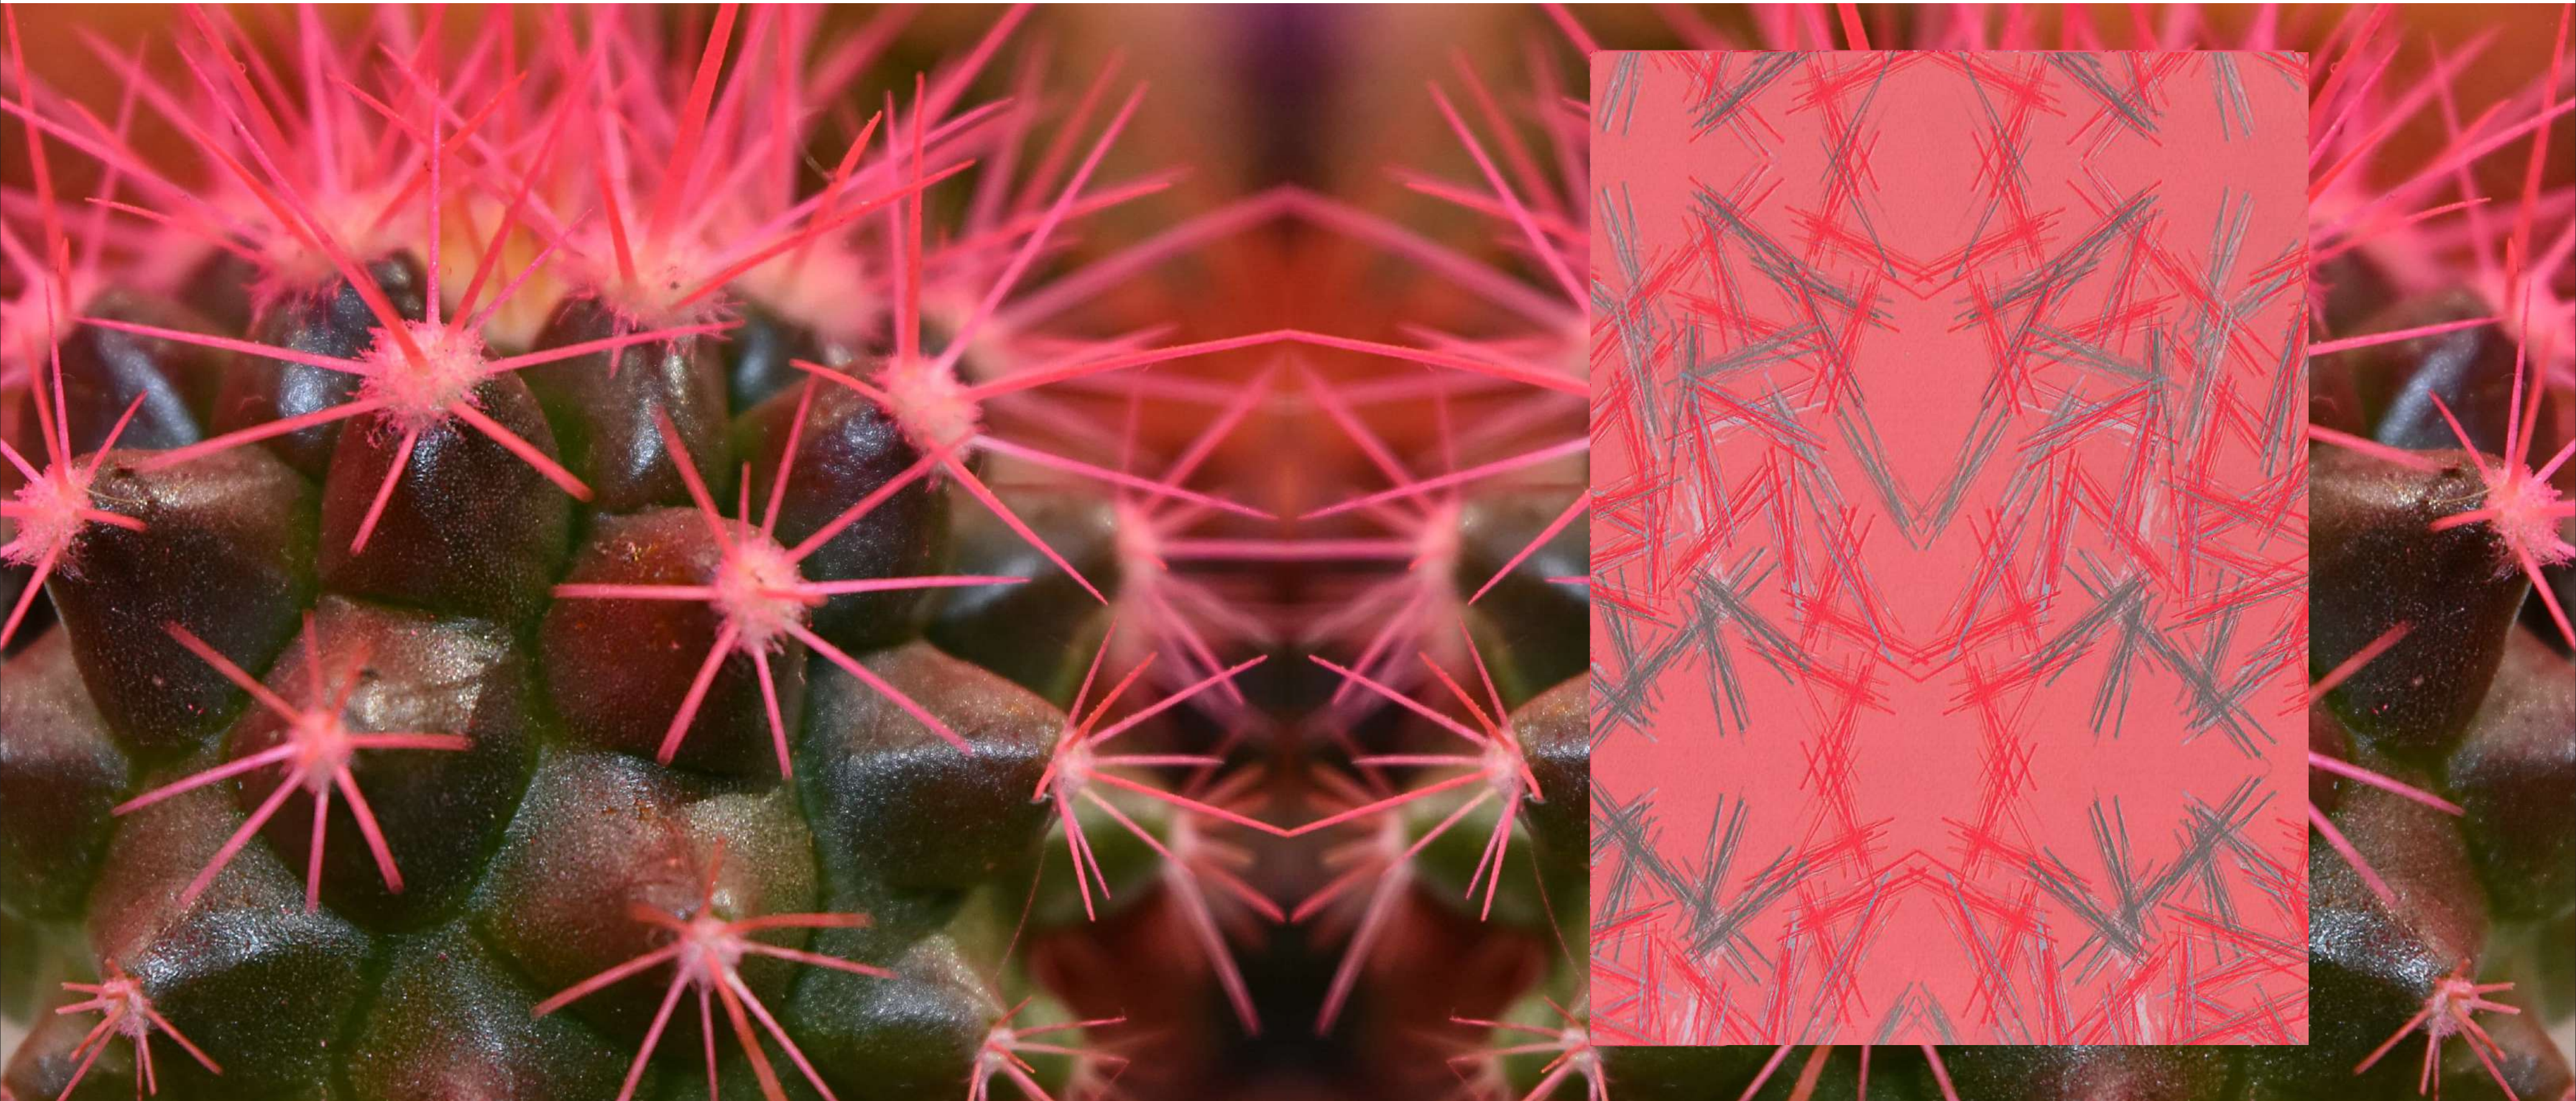

A bela e grandiosa Itália, do romance, da emoção, dos monumentos, do Renascimento, das lindas paisagens, gastronomia, arquitetura e arte. Terra que viu nascer grandes líderes e gênios da humanidade. O estilo evoca paixão e beleza, tendo cores quentes e vibrantes, linhas limpas e formas clássicas como características.

The beautiful and magnificent Italy, of romance, emotion, monuments, the Renaissance, beautiful landscapes, gastronomy, architecture, and art. A land that saw the birth of great leaders and geniuses of humanity. The style evokes passion and beauty, with warm, vibrant colours, clean lines, and classic shapes as its characteristics.

A Grécia, berço da civilização ocidental, da democracia, do teatro, ciência, filosofia e de grandes pensadores. Terra de ambientes naturais distintos, desde as praias de águas cristalinas, ilhas, falésias e cavernas, até suas montanhas e planícies interiores. O estilo grego se integra ao ambiente e inspira para designs clássicos, elegantes e atemporais em tons de mármore, azul e branco.

Greece, the cradle of western civilization, of the democracy, theatre, science, philosophy, and great thinkers. Land of distinct natural environments, from beaches with crystalline waters, islands, cliffs, and caves, to its mountains and interior plains. The Greek style integrates with the environment and inspires classic, elegant, and timeless designs in shades of marble, blue and white.
